

# Dairying Field and Discussion Day

**Tuesday 31<sup>st</sup>. March 2010**

**10.00am – 3.30pm**

**At the Hughs-Long Farm**

**West end of Fairbrother Road, off Kiritaki Road, that leaves H.W.2. just north of Oringi**

Ph. 0272632521 for directions

**The agenda for today is controlling Ragwort. Ripe seed will be threshed from ragwort plants and burned to prepare for use to control Ragwort. The same principle can be used for any pest plant. As time permits discussion on other issues and methods of control will take place.**

If time permits we will walk some of the farm and spread some of the ash. On the way we will note pasture, stock and soil condition. **Discuss issues that arise.**

**Bring your questions and boots and join us for a day of learning what the BD preparations can do for you and your farm.**

**Farmer experience, hands-on demonstrations.**

**Donation to cover expenses**

**Bring own lunch. Free Refreshments & and hand outs.**

***Grow the best possible fodder and the minimum of toxic weeds.***

**Facilitator Peter Bacchus (07) 862 7929 or 027 263 2521**
