Notes to the Bio Dynamic Association membership form

Cheque or Invoice:

If you'd rather pay by telephone or on-line banking, please choose the invoice option. We'll send you details with the invoice on how to pay direct to our bank account. (We don't have Eftpos or credit card facilities.)

Membership:

The membership of the Association is mainly individual people. Membership is also open to legally incorporated bodies, such as companies, registered charitable trusts, incorporated societies, and the like.

Business names:

Individuals wanting a business name to go on invoices etc. - please make it part of your address.

Privacy Act:

We need your permission to pass your name on. Without that, we cannot put it on lists given to local groups for local field days and events, or give it to people asking if there are others of like mind in their area.

Subscription:

The two tier subscription provides a lower rate when membership of the Association is not a business expense. The basic rate is \$133, but this is discounted to \$92 in those cases where it is not a business expense.

Donations

The Association is a registered charity and welcomes donations. We can provide a receipt for tax purposes.

What made you join the Association, and what are your expectations:

This is optional. It has two main uses:

1. If the Association's staff can see anything in this section that they can respond to directly, they will do so when they process your application.
2. It helps the Association know what attracts people and what they want from their membership.

If you have any questions about the Association, or membership, please contact us. We look forward to hearing from you.

Your address

We record your postal address. NZ Post says that "... street, suburb and town or city names may be different from those you normally use." It will help us if you can put in the NZ Post version, including the postcode. NZ Post also requires rural street names and street numbers if we are to get discounts when mailing to you.
